## Last Game Gods Gillings Tony

**the puzzle instinct - muse.jhu** - the following bibliography includes both the works cited in the text and, more generally, the works that have constituted the background to my treatment of the various topics. **better off dead: the lily harper series (volume 1) by h.p ...** - imagining the last capetians: maurice druon, the accursed kings - [1] translated into english in the 1950s, they are currently being reissued in paperback editions by harper collins: the iron king and the strangled queen (2013), also the poisoned crown, the royal succession, the she wolf, the lily and the volume, but
