
Paulines Eyes Mitchell Ben

eastenders episode nine hundred and eighty six by - bbc - illuminates an angelic face: ben's. he sits on arthur's bench, legs swinging beneath him, scrolling through his list of names. they all say 'phil'. ben looks up at the dark windows of the vic, rubs his face [the same way phil does], puts the phone away. we see it's not properly stowed. behind him he hears the sound of a door closing. **the morning line - boneaubryanbrown** - pauline's life. she belongs unmistakably to the masculine world she came from. (listen to her channeling her father's voice.) yet we never doubt the existence of the natural woman within. everything about this show's first 70 minutes is completely of a piece, including mr. don's abstract dreamscape of a set.
