
Semantic Saliency Hierarchy Model Jingyu

the semantic saliency hierarchy model - zhang, preamble - tion of psych verbs. as a matter of fact, the significance of the model is not confined only to this particular study, the issues related to the L2 acquisition of other causative verbs can also be examined within this model. the second achievement of zhang's work is the general confirmation of the semantic saliency hierarchy model, thus unraveling **the semantic saliency hierarchy model - beck-shop** - the semantic saliency hierarchy model the L2 acquisition of psych predicates von jingyu zhang 1. auflage the semantic saliency hierarchy model zhang schnell und portofrei erhältlich bei beck-shop die fachbuchhandlung peter lang bern 2007 verlag c.h. beck im internet: beck isbn 978 3 03911 300 2 **the role of saliency in second language acquisition** - saliency was manipulated through the use of visual input enhancement (vie). the two available morphological cues were presented with 1) no color contrast, 2) both marked with the same color contrast, or 3) each marked with a different color contrast. in experiment 1, the cue hierarchy was dominated by the morphological cues (verb agreement > case **analysis of english spatial preposition by autonomy ...** - ada model, which is applied in the analysis of english spatial preposition, is plausible and of ... relationship between the semantic saliency and the semantic profile of autonomous components and dependent components. the model is as following: ... they are aligned by hierarchy. the meaning of the composite **visual saliency and perceptual grouping in multimodal ...** - from the linguistic and gesture semantic analyses. visual saliency and perceptual grouping are two notions that guide such a structuring. we thus propose a hierarchy of saliency criteria linked to an algorithm that detects salient objects, as well as guidelines for grouping algorithms. we show how ... a saliency model requires a user model of ... **evidence for gradient saliency: what happens with ...** - saliency model is necessary. syntactic and semantic prominence effects on pronoun ... models require a gradient model of saliency rank-ing or whether a categorical model is sufficient. ... nence hierarchy carry different (relative) weights. **toward a hierarchical representation model of lexical ...** - tal and semantic characteristics. a model of lexical tone representation presented that posits a hierarchy of lexical tone representation, in which acoustic, segmental and semantic characteristics each contribute to tone perception. two experiments were designed to test this model with cantonese-speaking kindergarteners, and second- and fifth **athletic identity and its relation to exercise behavior ...** - an individual's identity saliency hierarchy. although some of the constructs in the proposed model are comparable to constructs identified by kendzierski, furr, and schiavoni (1998) in research on correlates of physical activity, there are conceptual and structural differences between the models. **the relative contribution of syntactic and semantic ...** - the relative contribution of syntactic and semantic prominence to the saliency of discourse entities ralph l. rose entities realized in syntactically prominent positions are preferred antecedents for pronominal reference. this has been demonstrated in numerous psycholinguistic experi- **a saliency driven approach to robust input interpretation ...** - a saliency driven approach to robust input interpretation in multimodal conversational systems joyce y. chai shaolin qu computer science and engineering michigan state university east lansing, mi 48824 {jchai@cseu, qushaoli@cseu} abstract to improve the robustness in multimodal **acquisition of english causative psych verbs by chinese ...** - rendered the zero caus theory and proposed a semantic saliency hierarchy model, which argued that syntactically relevant meaning component cause is conceptualized as manifesting itself in human languages according to the saliency of meaning component cause[2] reviewing the relevant **eye movements and perception: a selective review** - eye movements and perception: a selective review department of psychology, gieqen university, alexander c. schütz gieqen, ... in the most prominent implementation of a saliency model (itti & koch, 2000, 2001), the input image is first ... attributed to a number of locations in the visual hierarchy. areas suggested include v1 (li, 2002), v4 ... **priming and property dominance effects in semantic memory** - priming and property dominance effects in semantic memory mark h. ashcraft cleveland state university, cleveland, ohio44115 retrieval from semantic memory was examined by means of reaction times to property statements (e.g., sparrow has beak). the variables of interest were normatively defined property dominance **management of aphasia: practical application** - management of aphasia: practical application written and presented by: kara kozub o'dell, m.a. ccc-slp, bis allied health manager, neurological recovery unit the rehabilitation institute of chicago aphasia aphasia treatment techniques verbal expression combined semantic/phonological cueing hierarchy complexity of treatment in syntactic deficits **an instance-based scoring system for indoor landmark ...** - as previously mentioned the most studies of landmark saliency on the outdoor environment. focus there is a classical landmark saliency evaluation model which divides the landmark saliency into three aspects: visual, semantic, and structural (raubal & winter, 2002; sorrows & hirtle, 1999). because indicators proposed by those studies above are
